

### DEAR WISDOM SEEKER...

We're thrilled to announce that the second edition of Robert Place's *The Tarot: Magic, Alchemy, Hermeticism, and Neoplatonism* will soon be coming to the bookshop and that for the very first time, we're offering an exclusive **15% pre-order discount** for our online followers! If you want to get your hands on what the American Library Association have called "the best book ever written on tarot", just follow the link up above.

Watkins shoppers can also get 25% off when buying *Wisdom of Thoth* by Pantheon of Aeternam, and with 200 teachings on how to create truth and peace in your own life, it's a fascinating addition to Pantheon of Aeternam's catalogue. If you can't make it to the shop, just give us a call on **020 7836 2182** or send us an email at **orders.watkins@gmail.com** to order yours.

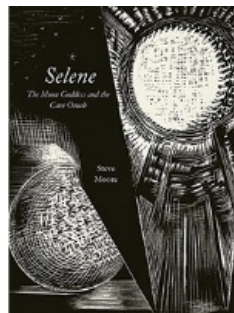

We're excited to share a new look to our newsletter, with the addition of some specially curated staff reading recommendations and, if you get all the way down to the bottom, even a glimpse into our treasure trove of rarer titles. So get stuck in, and get excited for the summer! Although if you're not the summer type, there's always the weekend of bookselling we'll be doing at the **Beyond the Brain** conference in September to look forward to...
