

## What's new at Watkins Books?

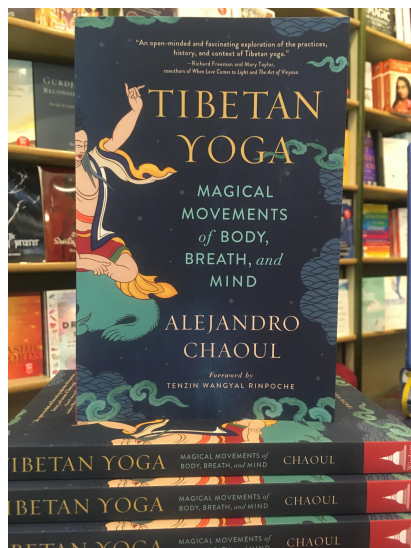

It's amazing to see how the West End has come alive again over the last couple of months. We're extremely happy to find so many of our loyal customers from all parts of the UK and overseas finding their way back to the shop - many of whom have not been able to visit us in the last two years.

We're also chuffed to once again be able to visit some of our favorite personal haunts in London on our spare time. For example, many of us have been to the excellent ongoing exhibition on [\*Feminine Power: the divine to the demonic\*](#) at the British Museum. If you want to dig a little bit deeper into this particular subject, we should have plenty of books to choose from, especially in our **Goddess section**.

The city is of course also getting ready for the Queen's Jubilee festivities this weekend. We'll remain open for the bank holidays, so if you happen to be in town and feel like browsing some spiritual books or have session with one of our brilliant [\*in-store readers\*](#) we're open 11.00-18.30 as usual.

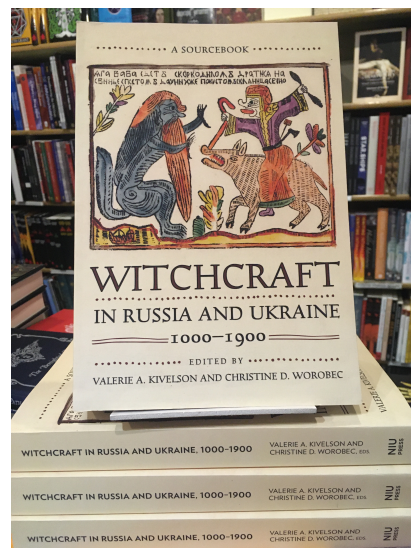

You can now find all the titles listed here on our brand new [\*webshop\*](#)
